## **PC&CO Swim Appointment Cancellation Policy:**

At PC&CO, our swim appointments operate on an hourly basis for private sessions. We value your commitment and request adherence to the following cancellation guidelines:

### **Client Cancellation:**

To cancel a session without incurring charges, we require a minimum of 72 hours' notice before the scheduled appointment.

Cancellations made within 72 hours of the scheduled time may result in a full session charge if we are unable to fill the appointment. However, we do provide a one-time waiver provision to accommodate unforeseen circumstances.

### **Coach Cancellation:**

In the event of a coach's cancellation with less than 72 hours' notice, we offer our clients one complimentary session upon rescheduling. This complimentary session must be utilized within 14 days.

If the coach cancels with over 72 hours' notice, no free session is offered. Nevertheless, we ensure the session is promptly rescheduled within 14 days to maintain the consistency of your training program.

If a session is cancelled due to factors beyond our control, such as adverse weather or surf conditions, we will arrange for the session to be rescheduled at a later date. This allows us to ensure a safe and optimal environment for the session to take place.

Please be sure to familiarize yourself with these policies and reach out to our team for any further clarifications or assistance. Your cooperation is greatly appreciated as we strive to provide the best service and support for your swimming sessions.
